

# Newtown: Ring Road Route

Start: Newtown Community Resource Centre

Distance: 2.3 miles/3.6 kilometres

- 1** From the Community Resource Centre entrance bear right to Durham Road. Cross at the pedestrian crossing, turn right and walk up-hill then left along Orde Wingate Way on your left. Left and diagonally opposite the end of this road, is a footpath.
- 2** Take this path and turn right at its end. At the end of Queen's Park (a small circular area before the railway bridge) turn left to follow the path around the park, passing the bandstand on your left.
- 3** Head slightly right and downhill towards the park corner. Cross Lustrum Beck as the path narrows and passes houses. As the path opens out, walk along Eastbourne Road until it starts to bear left and there is a path across the road
- 4** Take this path and head left alongside a small beck and through a metal gateway towards the Durham Road by-pass. *Take care* crossing this busy road. The path heads away from the road and after about 50m reaches a junction with a small tarmac path on your left. Take this path alongside the beck to eventually emerge onto Dover Road. Cross and turn right. After a few metres, take the path on your left and continue along the green-belt, going left where the path forks to reach the main road.
- 5** Turn left towards the roundabout. *Cross with care* and follow Bishopton Avenue with the cemetery on your left.
- 6** At the end of the cemetery turn left and, where the footpath ends, turn right onto Green Lane to return to the Resource Centre.
